Skywood House: And the Architecture of Graham Phillips (Hardback)

By Phyllis Richardson, Kenneth Powell, Graham Phillips

Thames Hudson Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 284 x 268 mm. Language: English . Brand New Book. Skywood has been called a house that turns lifestyle into a work of art and one that offers a masterclass in architectures power to excite and inspire. As a structure, it reflects rigour and attention to detail, attributes that its creator, Graham Phillips, credits both to his time at Foster Partners, and to his experiences of buildings he loves, from Mies van der Rohes Barcelona Pavilion and Luis Barragans house in Mexico City, to the serene composition of Japanese gardens. Skywood House garnered immediate acclaim from the architectural and popular press. It also became a favoured setting for television and film producers, who found in its pure form and exquisite geometries the perfect backdrop for an array of dramatic scenarios. Known as the Va Va Voom house for its appearance in the 2005 Renault Clio television advert featuring the football titan Thierry Henry, Skywood continues to attract a popular and critical audience. And Phillipss further projects, carried out as an independent architect, resonate with the same sense of precision and elegance.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
