The Lonely Planet Story: Once While Travelling

By Tony Wheeler, Maureen Wheeler

Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, The Lonely Planet Story: Once While Travelling, Tony Wheeler, Maureen Wheeler, The highly readable Lonely Planet Story: Once While Travelling is a unique mix of autobiography, business history and travel book. It traces founders Tony and Maureen Wheeler's personal story as well as the often-bumpy evolution of their travel guide business into the world's largest independent travel publishing company. In 2007, the Wheelers shocked the publishing industry by selling to BBC worldwide. For the first time, they explain their reasons behind the sale, and their hopes for the future of the brand. Above all, their memoir reveals the spirit of adventure that has made them, according to the New York Daily Times, 'the specialists in guiding weird folks to weird places'. Lonely Planet Publications was born in 1973 when the Wheelers self-published a quirky travel guide, *Across Asia on the Cheap*. This was quickly followed by what soon became the backpackers' bible, *South-East Asia on a Shoestring*. Going boldly where no other travel publisher had ventured, they catered to a new generation of independent, budget-conscious travellers long before the advent of mass tourism.

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
