For a detailed analysis this work concentrates on strategic alliances. To give an insight on the topic this work analyses the alliances between the car manufacturers Nissan and Renault and Renault and Volvo. These partnerships are examples of alliance's success and failure. On the basis of these examples this work illustrates the sources of alliance formation and how alliances are able to create competitive advantage but also the reasons why so many alliances fail. Before the case studies of the above mentioned companies will be discussed this work explains the sources of alliance formation on a theoretical basis. 32 pp. Englisch.
