Preface to Second Edition This Compend of Physiology is the outgrowth of the author's system of examinations in the Quiz room during a number of years, and was written at the request of medical students who desired a compact and convenient arrangement of the fundamental facts of human physiology. As most medical students enter upon the study of physiology before they have acquired a thorough knowledge of anatomy, it was thought desirable that such anatomical details should also be inserted as would be essential to a clear conception of the functions about to be studied. It was believed that it would be practically...
