Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Agricultural Schools in Europe Connection of the Institute with the University. - The institute is an integral part of the university at Jena, and is under the same government. The director and most of the professors are also connected with the university; those who enter the institute for farmers are matriculated as students at the university, and attain thereby all the rights, and assume also all the responsibilities of academical students, the same as in any other department of the university. The advantages which the institute gains through the union with the university, pertain in part to the means of instruction, and in part to the spirit of the academical life. To the means of instruction of the university which the members of the institute can enjoy, belong, besides the lectures on those parts of natural science and political economy which are not to be had in an isolated institute, and the lectures upon mathematics, philosophy, history, general law, See., the library, the botanical garden, the mill era logical museum, the zoological cabinet, the observatory,...
