Building School-Community Partnerships: Collaboration for Student Success

By Mavis G. Sanders

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Building School-Community Partnerships: Collaboration for Student Success, Mavis G. Sanders, This current era of high stakes testing, accountability, and shrinking educational budgets demands that schools seek bold and innovative ways to build strong learning environments for all students.

Community involvement is a powerful tool in generating resources that are essential for educational excellence.

Building School-Community Partnerships: Collaboration for Student Success emphasizes the importance of community involvement for effective school functioning, student support and well-being, and community health and development. This sharp, insightful book serves as an excellent resource for educators seeking to establish school-community partnerships to achieve goals for their schools and the students, families, and communities they serve. Schools can collaborate with a wide variety of community partners to obtain the resources they need to achieve important goals for students' learning. Some of these partners may include: - Businesses and corporations - Universities and other institutions of higher learning - National and local volunteer organizations - Social service agencies and health partners - Faith-based organizations and institutions Work successfully with community partners to improve school programs and curricula, strengthen families, and expand your students' learning experiences!.
