PM Press, United States, 2014. Paperback. Book Condition: New. Reprint. 202 x 126 mm. Language: English . Brand New Book. The ups and downs of the anarchist movement during the last century is discussed in this introduction to anarchist thought. Of all political views anarchism is the most ill-represented. For more than 30 years, in more than 30 books, Colin Ward has been patiently explaining anarchist solutions to everything from vandalism to climate change as well as celebrating unofficial uses of the landscape as commons, from holiday camps to squatter communities. In this discussion with David Goodway, the many famous characters who were anarchists, or associated with the movement, are explored, including Herbert Read, Alex Comfort, Marie Louise Berneri, Paul Goodman, Noam Chomsky, and George Orwell.
