Konark Publication, New Delhi, 1991. Hardcover. Book Condition: New. 70pp. This is poetry with a difference. There is no attempt here at being needlessly esoteric. The poems do not seek to convert the reader to an ideology. Nor does the author try his hand at soft porn, with intent to scandalize. Each poem is a slice of life. Life seen by an individual, who is as mystified, confused, curious and hopeful as anyone else. Who looks at events, people, situations, nature and tries to record the emotions they evoke with a delicate blend of irony and lyricism. In a limpid style. With no preconceived notions. Only to take you on a journey with himself, into his own self.
