Excerpt from The Canadian Journal of Medicine and Surgery, Vol. 7: A Journal Published Monthly in the Interest of Medicine and Surgery; January, 1900 A magnum opus of this description has a great advantage over the Encyclopaedia Britannica, in that it is all on one subject, while in the Encyclopaedia the enchanted reader is constantly vexed by being wrenched here and there from one subject to another. The dream of Casper Neumann was to write on through eternity on the one subject with the same circle of readers patiently following him in s cula s culorum. To writers of this class the history of medicine offered a field of satisfactory vastness, and presently, through the sombre penumbra cast by the subject into the limitless spaces of oblivion, a gloomy constellation of German literary men began to heavily move in slow circles. A Little work on the history of medicine had, it is true, already been published in England by Dr. Freind, who, it will be remembered was the same Freind who was imprisoned by Walpole for making...
