John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Quest: Exploring a Sense of Soul, Joycelin Dawes, Janice Dolley, Ike Isaksen, Our lives are directed, either consciously or unconsciously, by our most fundamental beliefs and values. But where did those beliefs and values come from? Up until now, most of us who grew up in the West have only had two choices - either accept, lock, stock and barrel, the beliefs and values of the faith and culture we were brought up in, or reject that faith and choose another one that reflects more clearly our own sense of soul. But choosing between the many different brands on the shelves of the current 'spiritual supermarket' is no easy task - Christianity or Zen Buddhism? It does not reject the established faiths but offers you the chance to create and validate your own sense of soul - a faith that works for you - that sees you as a unique individual with your own spiritual authority and expression. Widely acclaimed for excellence and quality, The Quest is already in use worldwide by individuals, by people working in small groups, in the community, in churches, in colleges and universities. The Quest is linked to and promoted by the latest of the Quest series of specials...
