Cooper Square Pub. Hardback. Book Condition: new. BRAND NEW, Everything Dolphin, Marty Crisp, Dolphins captivate us with their intelligence, their chattering and their amazing jumping! Reptiles intrigue us with their slinking, slithering, and even flying! These truly cool animals are the topics of the next two books in the popular Kids FAQs! series, based on real questions from real kids. In addition to providing basic information like habitat, diet, species distinction, and life cycle, these books delve into the more unusual--but equally important--questions, like "Why are dolphins always smiling?" and "Why are so many people afraid of reptiles?" Everything Dolphin and Everything Reptile are packed full of useful information and fun trivia. Parents and teachers agree, this series is perfect for budding scientists or simply curious kids.
