The books in this series encourage children to use everyday materials in a series of exciting art projects, whether as entertaining ideas for rainy days at home, or for early school classrooms. In Make it with Fabric, kids use both cloth and yarns of many colours to make animal faces, a rag doll, a hand puppet, a pen and pencil case and more! The 12 projects are presented in photo-illustrated spreads which feature easy-to-follow steps. Useful notes for parents and teachers appear at the end of the book, which give guidance on how the projects can be adapted to suit children of different ages.
