Along the way and wearing more than a few of the kinds of outfits we've all regretted at one point or another Brooks has discovered the key to creating her personal style, combining influences as wide-ranging as childhood prep school, Grateful Dead concerts, contemporary artists, pop culture, and her current home outside of the fashion bubble, a farm where she lives with her family (and a host of animals) in England. In 'Always Pack a Party Dress,' Brooks recalls her early career aspirations and explores the evolution of her own personal style in stories of successes and failures alike, and offers fashion and beauty tips and inspiring photographs throughout. She shares her expertise and inside view with warm, candid, often witty prose.
