2012. Hardcover. Book Condition: New. 203 There are three lists in Indian Constitution namely Central list, State list and Concurrent list. Education comes under concurrent list where Centre as well as States are competent to legislate and establish university-level institutions. Central as well as States governments have to regulate and monitor the education system in India. Colleges/ Universities are providing quality education and subsequently education should be linked with the employment. , It is said that India produces over six to eight lakh technical graduates annually. However, research studies show that only 25 per cent of them are career ready and employable by industries. A vast number of technical graduates are deficient in communication skill.
