Alfred Publishing Co., Inc., United States, 2013. Paperback. Book Condition: New. 307 x 221 mm. Language: English . Brand New Book. Who needs Mallet Percussion Workout? Anyone from beginner to professional, who wants to play mallet instruments with ease, dexterity, and accuracy. This book fills a gap in mallet method books--learning sequences to build confidence and ability in sight-reading; developing smooth, even rolls; becoming more ambidextrous; and getting chops together all over the instrument. There's even a section for classical players that will help with jazz improvisation down the road. Kristen Shiner McGuire has created for mallet players what Stick Control is for drummers--an essential companion workout you won't want to miss to be your best.
