iUniverse, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.These stories are quick little snippets to amuse the reader and make him think. Most of them end with a good laugh. Each can be read in ten or fifteen minutes. They tell about ordinary people who get into situations beyond their control, their efforts to extricate themselves, and the humorous results that often ensue, sometimes because of their efforts, sometimes in spite of them. Not all the men and women in these stories are nice people; some get their come-uppance in a surprise ending in the style of O. Henry or Guy de Maupassant. Sometimes there is a happy ending, sometimes not. Like life. The subjects include counterfeit money, foiled bomb plots, stage fright, life in an igloo, prejudice and racism, con men, stupidity, war, murder, courtship, marriage, divorce, various love affairs, gentleman and cads, nice girls and naughty ones, student pranks, animals, political intrigue, teen-age troubles, and plenty of goofy people like some you know in your own town, although the names have been changed, protecting the guilty as well as the innocent. The stories are handled with a light touch, tongue-in-cheek, and a good deal of irony. They are all unrelated, but each one offers a pleasant way to end the day at bedtime.
