Readers are recommended to take up the reading of biography more. They will assuredly find much to interest as well as instruct in the lives of the great men of the past and present. The True Poetry. History makes men wise, wrote Bacon; and the study of history is a fascinating one. A speaker at a recent meeting of the local Historical Association said that history stood among the subjects of general education in a position of marked peculiarity. Its presence accorded with the transformation which time had wrought in the government of Western nations. The child entered the school a mere creature of the present, knowing nothing of the past and recking little of the future; within a few years he left school, and was soon called upon to exercise his vote in the government of a vast empire. Uneducated, man was lacking in that feeling of solidarity and in that historical sense without which he soon became the easy prey to Utopian ideas. Of all subjects, history deserved most a study prolonged after school, through adolescence into maturity. The reader desirous of pursuing the study of history--which Carlyle describes as the true poetry -- has the Public Libraries always at his service. The Central Library has numerous historical works of value, and each branch is well provided with works of this class. Travel. Whereas...
