

## Numerology for Teachers: How to Improve Relationships with Students

By D J Ward

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What if parents and teachers could use a system that is thousands of years old to analyze the inner depths of students personalities? What if they could anticipate students needs, academically as well as socially? Finally, what if parents and teachers could become better educators, parents, friends and spouses simply by having an improved understanding of themselves? Interested? Then delve into the world of D. J. Ward and of the science of numerology for answers and enlightenment that will prepare the next generation for nothing less than the best of success. Not only will you learn about the general concepts of numerology, but Mr. Ward will show you how to practically apply what you learn in order to improve your relationships with children and others around you.
